**Activity 1.** Read the following text about Carla and do the activities suggested.

Last summer, I was in Hastings, in England, at a language school. My host family, Mr and Mrs Amos, were lovely, and their house was fantastic. It was very old, but very beautiful. The rooms were very small. There were three bedrooms, a bathroom, a kitchen, and a living room. There was also a swimming pool in the garden!

Near their house were some old castle ruins. It was an important castle in the 1200s, because it was a good place to watch the sea. Now lots of tourists visit the ruins.
