On the farm

My grandparents live in a village. They have a farm. There are many animals on the farm.

My grandmother takes care of chickens, pigs and sheep. My grandfather takes care of horses and cows. They have to feed the animals every day. Chickens eat corn, horses eat apples and carrots and cows eat grass, and pigs eat corn, apples, carrots.

My grandparents get up early in the morning to feed the animals and clean their houses.

I like to watch them feed the horses with carrots and chickens with corn.

We get eggs from chickens.
Eggs are used for baking cakes.
Cows give milk. Milk is very healthy. Sheep give us wool.
Wool is used to make clothes.
Horses are used for riding.
They are my favourite animals.
