BIOGRAPHY

MAHATMA GANDHI was born in 1869 in India. His nationality was Indian. He was a great political leader. He believed in non-violence. He wanted his country, India, to be independent and his struggle for independence from the British government was successful. His non-violent campaign defeated the British. Gandhi died in 1948. An assassin killed him. It was a tragic death for a very great man.

BIOGRAPHY

MARIE SKŁODOWSKA was born in 1867, in Poland. She married Professor Pierre Curie, who was a Frenchman. So Marie Curie was Polish and French. She lived and worked in Paris. She was a great scientist. She discovered the chemical element, radium, and she helped to discover X-rays. She was a Nobel Prize winner twice: in 1903, for physics and, in 1911, for chemistry. She died in 1934.
