Les presento dos oraciones para ejemplo:

My brother is tall (alto).

En esta oración se describe a una persona usando el verbo “**to be**” y el adjetivo **tall** (alto)

My brother has got short brown hair. cabello corto castaño

En esta oración se usa el verbo “**have got**” para describir. Mi hermano **tiene**

Se observa que el lugar se ha invertido, se escriben primero los **adjetivos** y luego los **sustantivos**.

My lovely family

Hello! My name is Ana. I am eight years old and I am from the USA. I'm going to introduce you to my lovely family. It is quite big and we are very happy.

My mother's name is Laura and my father's is Peter. My mother has got blond hair and she is very tender. My father is tall and slim and he is a funny person.

My parents have got three children. There's my brother Tim, my baby brother David and me. Tim is a sweet boy who loves playing and being with me all the time. He is

only three years old so he attends the kindergarten. My younger brother, David, is a seven-month baby but he is full of personality. He likes being at my father's lap and he never disposes of Eddy, his bunny.

My father has got a sister. Her name is Olivia and she is my aunt. My mother has got two brothers. Their names are Richard and William and they are my uncles.

I have also got my grandparents and my cousins Jacob, Kevin and Chloe.

We have got a pet called Pirate, he is my favourite dog!

I love my family and my pet.
