Help!

Dad's got an embarrassing hobby!

This week's problem page interview is with Nicole from Montreal, Canada.

■ Have you got a special collection, Nicole?

No, I haven't got a collection, but my dad's got a *Star Wars* collection. It's his favourite film, but it's an old film now and I'm not a big *Star Wars* fan. Here's a photo of Dad with his friends at a *Star Wars* convention. Look at their costumes – it's really embarrassing!

■ Is it a big collection?

Yes, it is. Dad's got hundreds of props and costumes from the *Star Wars* films. He's got DVDs and posters in the living room. He's got Luke Skywalker's 'light sabre' in the dining room and *Star Wars* books and magazines in his bedroom, too. I've got a *Star Wars* bed in my room with Darth Vader on it. Yuk! Our house is full!

■ Is this a problem?

Well, it's OK because we've got a big shed in the garden, but guess what? That's full of *Star Wars* things too. Dad is happy with his collection, but Mum isn't happy because *Star Wars* things are very expensive.
