- 1) Reading Comprehension: read and write the following e-mail.

Lucy has got a friend in Cambridge. His name is Keith Springs. This is Lucy' mail to Keith.

To: [keith@friends.ca](mailto:keith@friends.ca)

From: [lrichards@and.lo](mailto:lrichards@and.lo)

Subject: **My family**

Hi, Keith

How are you?

Thanks for your e-mail.

My family is big. Your question is "Have you got any brothers or sisters?", the answer is "Yes, I have!! I have got a brother, but I haven't got any sisters. My brother's name is Jason and he is 17. He's a student. He has got a beautiful girlfriend. Her name is Mary and she is also 17.

My father's name is Mathew. He's 42 and he's a doctor. My mother's name is Lorna and she's 40. She's a teacher. We have got a dog and a cat. Our dog 's name is Rocky and our cat's name is Misha.

My father has got a brother; uncle Charles. He's married, his wife's name is Alice. Their daughter is my cousin, Rachel. She's very funny. She's an university student and a Singer. She hasn't got any brothers or sisters.

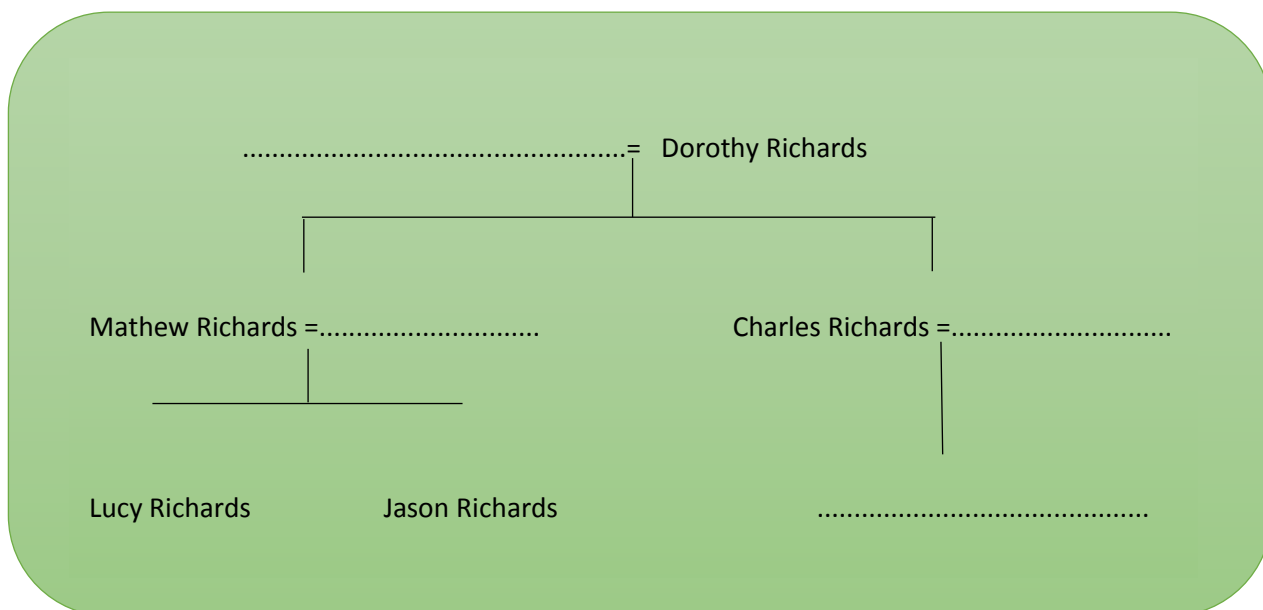

I have got a grandmother and a grandfather. My grandmother's name is Dorothy and she's 64. My grandfather's name is Glen and he's 67. They are very nice. They have got a beautiful house in Alicante, in Spain.

Write and tell me about your family.

Bye,

Lucy

2) Read Lucy's e-mail again and complete her **family tree**.

3) Look at Lucy's family tree and complete the sentences:

Example:

- Lucy Richards is Jason's .....**sister**.....  
(Lucy Richards es la hermana de Jason)
