My best friend's family Monday 5 January 2015

This is a picture of my school friend Joey and his family. Joey's family is relatively small: his mum Anna, his dad Greg, his sister Linda, his grandma Sue and his grandad Bill. In this photo they are in their house. Their pet dog Sid isn't in this picture. Sid is just great! And Linda is super cool, just like my friend Joey. Her room is beautiful. Joey's family is fabulous. I love this family!!!
