En esta séptima guía seguiremos trabajando con el tiempo **Presente Simple** pero aprenderemos ahora las **oraciones negativas** para expresar lo que NO nos gusta, cosas que no son permanentes o que no realizamos con frecuencia.

Para hacer las oraciones negativas vamos a recurrir a la ayuda de un auxiliar que se coloca antes del verbo infinitivo (sin conjugar), según el sujeto de la oración.

Negative sentences:

What do you do in your free time?

**Tell us what you do and what you
don't do!**

• **What I do**

In my free time, I do a lot of things.

Sometimes I stay at home. I listen to my iPod or to the radio and I play computer games.

I also go out with my friend. We often go to the cinema because we love films, but we sometimes just hang around and talk, eat something, listen to music and play cards.

• **What I don't do**

I don't watch a lot of TV because TV programmes aren't very good. I don't chat on Skype because I haven't got an internet connection. And I don't play sports because I do exercises at school with my friends.

★ NADIA ★

4. True or false? (Según el texto anterior, ¿estas ideas son verdaderas o falsas?)
